

Maximum Temperature Coefficient	+100ppm/°C
---------------------------------	------------

Minimum Temperature Coefficient	-100ppm/°C
---------------------------------	------------

Package/Case	Aluminium Housed
--------------	------------------

Power Rating	50W
--------------	-----

Resistance	27Ω
------------	-----

Technology	Wire Wound
------------	------------

Temperature Coefficient	±100ppm/°C
-------------------------	------------

Termination Style	Axial
-------------------	-------

Tolerance	±5%
-----------	-----
